## Non-PTSA Highlights!

**Water station construction has begun** for the water station students raised funds to support with Friends of Reed in the Walk for Water last year. LAUSD has provided an estimate that the work will take approximately 1 month to be completed.

**Yearbook pre-order sale is happening NOW until April 1st.** Order your yearbook before April 1st at \$35 before prices go up! Available online at reedms.com or at the student store.

**WRMS National Jr. Honors Society is accepting applications from March 2-March 26th.** Interested 6th & 7th students can learn more about the WRMS chapter by attending one of the lunchtime information meetings in Rm 150. These meetings are not mandatory but are helpful and informative. Meetings will be held on March 2, March 6, March 11, March 19, March 24. Applications will be given to students who request an application and who meet the academic GPA requirements. They are only available in Rm. 150. Applications MUST be returned directly to Ms. Sofio by March 16th by 3:05 pm to be considered. Visit <http://reedms.com/njhs-applications/> for more information.

**FIHP is sponsoring a school-wide screening of *Screenagers the Next Chapter: Uncovering Skills for Stress Resilience*: April 15 at 7:00 pm.** This film is about helping young people thrive in our screen and stress-filled world. Filmmaker and physician Delaney Ruston uses a personal lens and professional eye to help us all flip the script on stress, anxiety, and depression.

**FIHP is sponsoring a GATE Gifted Speaker Event, with Sharon Duncan: *Understanding Giftedness from the Inside Out*: April 20th at 7pm, Reed Auditorium.** Sharon Duncan, is an independent gifted consultant and the co-founder of both gifted Identity, and Gifted Research and Outreach, a non-profit entity with the mission to promote a comprehensive and accurate understanding of giftedness through research and outreach. She works with parents, educators, schools, districts, psychologists and pediatricians to help them understand and meet the social, emotional and educational needs of gifted children. Prior to her work with Gifted Identity, she spent 26 years working at NASA's Jet Propulsion Laboratory.
