

Today begins a very important fun and healthy way to raise money for students of WRMS

WRMS PTSA & ASSOCIATED STUDENT BODY GOVERNMENT (ASB) are partnering to raise money to upgrade campus technology for students. Our students need access to Chromebooks in the classroom and up-to-date computer labs so they can learn to utilize the technology needed to be successful in today's modern world. Sadly, our current technology is very outdated and insufficient. Please help us support our amazing students by joining the WRMS team for this Trek-4-Tech.

- There are NO products to sell or deliver!
- 100% of the net proceeds go directly to benefit WRMS and its students! (70% to PTSA for campus technology purchases/upgrades and 30% to ASB for student body activities).
